

# SUPPORTING CARLMONT ACADEMICS

*Every Student, Every Day*

## CAF 2019-2020 ANNUAL REPORT

### Thank you!

---

Dear Friends,

On behalf of the board of directors and the volunteers of Carlmont Academic Foundation, I am proud to share the Carlmont Academic Foundation annual report with you. The impressive list of accomplishments described in the annual report would not have been possible without CAF's incredibly generous donors and its dedicated volunteers. It is particularly spectacular to see the CAF community come together to support all students in such significant ways in the midst of the coronavirus pandemic and a movement of heart wrenching racial reckoning.

As CAF evolves, the board continues to reflect on CAF's role and purpose. Just before the pandemic began, the CAF board re-crafted its mission statement to read:

*CAF works with parents, local businesses, and community members to raise funds to support Carlmont High School and enrich the educational environment for all students beyond what is possible with public dollars by funding flexible, innovative and inclusive educational programs that will have broad based, substantial and lasting impact.*

CAF is committed to providing equal access to resources for all staff and students, regardless of race, ethnicity, gender, religion or sexual orientation, and the CAF board is committed to holding itself accountable to this goal. In this role, it will actively seek ways to support the rollout of the District's Equity and Diversity Council at Carlmont and take actions to ensure equity in education and to overcome barriers that impact some of CAF's populations and students, particularly those impacted by racism and economic disparity.

It is through the generous investment of its donors that CAF can positively impact the education of every Carlmont student. Last fiscal year, CAF raised \$917,658 – exceeding our expectations. This allowed CAF to fund the following for the 2020-2021 school year: 18 additional class sections, a counselor, a college and career assistant, as well as many important programs and services such as before and after school tutoring, college essay support for seniors, mini grants for teachers, instructional materials, and collaborative work time for teachers. A generous grant from Oracle provided critical support for STEAM programming through continued elevation of lab-centric course offerings in the Carlmont Biotechnology Institute plus innovative resources for Carlmont's expanding Analytical Chemistry program and Biology classes. Finally, funds from community donors This also allowed CAF to establish a Covid-19 supplemental fund to offer Carlmont some flexibility in responding to the unique needs of the new learning environment. CAF works closely with the Carlmont administration to determine how these valuable funds, raised by the community, will be best put to use.

The 18 additional class sections, along with the other programs and services that CAF funds, make a tremendous positive impact on the learning environment for all students at Carlmont, and CAF is grateful to its donors for making this happen. All of this was accomplished through volunteer power; CAF is 100% volunteer run, and I'd again like to express my thanks to our hard-working CAF volunteers.

Ulla Foehr, CAF President

# CORPORATE MATCHING

We sincerely thank the following local companies that matched recent gifts made by Carlmont families through Corporate Matching Gift Programs. Matching Gift donations continue to grow each year, and raised \$151,369 during the 2019-2020 school year, funding 6 ½ class sections for this school year! However, the potential to increase matching gifts is huge! Contact us at [matching@carlmontacademicfoundation.org](mailto:matching@carlmontacademicfoundation.org) with any questions you have.
